my bike.
It is fast and happy.

Colors
Dione Carrington

Fire is the color
of blue paper.
It is hot, it could burn you.

Tea is the color
of a brown pencil.
It is hot and steamy.

My soul is the color
of a green crayon.
It is loving and kind.

The I-Wish-I-Had-A-Genie Blues
Kamaria Ray

Sometimes I feel blue
when I have to wash the dishes.
I wish I had a genie
to grant me three wishes.

The Cookie Blues
Zaria Bradley

Sometimes I feel blue when
my brothers eat my cookies.
It's like they act like bullies.
I hide them in a hat.
It makes me really mad.

The Bruh Blues
Dione Carrington

Sometimes I feel blue when
I can't play with electronics.
That's the bruh blues.
But I'll rise like a phoenix.

The Clean-The-Room Blues
Ava Howard

Sometimes I feel blue
when I have to clean my room.
So many toys, I use a broom
to clean my room.
I open the closet and
all the toys fall on me.
Oh no!

Tarantula
Amyah Allen

Tarantula,
bat,
anteater.
To make a scary thing go away,
I could scream!
Life doesn't frighten me.

Math,
computers.
Life doesn't frighten me.

Gifts make me feel brave.
Home makes me feel safe.
Life doesn't frighten me at all.

The Scary Scary

Life doesn't frighten me at all.
