

**The Sky Inside My Mind, Vol.3**

# **Kindness**

## **Zachary Jarrells**

Kindness like a star  
in the beautiful night sky  
as bright as the sun.

When I was kind I held  
the door for my mom.  
When my sister helped  
take out the trash  
for an old lady.  
When I saw a woman  
drop her keys  
and I picked them up.

Be kind to all types  
of people because  
they want a reason  
to be kind. Be kind.

Don't be like a bird  
with no wings  
that can't fly high.  
Don't be like a lamp  
with no light. Then  
you can't see to be kind.

Don't be like a waterfall  
with no water. Always be  
like a world with all types of people  
on earth. Always be like a light  
that shines bright on people.  
Always be like a building  
with all different types of people in it.

## **Bucket List**

### Ja'Naisa Goston

I want to be a waterfall  
that can't be drunk.

I want to be an animal  
that can't die.

I want to go in the ocean  
and not drown.

I want to be ice  
that never melts.

## **Sometimes I Feel**

### Tralaya Denham

Sometimes I feel hungry like a car that needs gas.  
Other times I feel angry like an earthquake when it shakes.  
I feel other ways, too, like a tree when it's cold out,  
or when I'm watching football with my grandpa on Sunday  
I feel calm like a muscle in my arms. But sometimes I feel weak  
like a chair when it breaks 'cause it was 52 years old.

## **Beautiful Is** **Sir Charles Harrington**

Beautiful is a necklace  
with my dad's ashes in it.

Beautiful is a bird chirping  
in the morning in a tree.

Beautiful is a game called  
Fortnite. I like to play with my friend Justin.

## **Kindness: A Poem In Three Parts** **Brooklyn Pregler**

Kindness is like a lava lamp shining  
bright in the night.

Like when I take care of my grandma  
when she's sick.

When I say "Bless you" to my teacher.  
When I hold the door for the principal.

Always be like a tree waving  
in the sky.

Always be like a waterfall  
full of water.

## **Sometimes I Feel**

Jayden Camarena-Escobedo

Sometimes I feel calm,  
like a bird cracking out of the egg.

Other times I feel sick,  
like an old dusty book.

## **Up**

**Ariana Bohanen**

Up to eat my breakfast in the morning.  
Up to play with my six-year old brother.  
Up to give my mom a kiss before I get on the bus.  
Up to practice math at home.  
Up to eat lunch at home and school.  
Up to smell the flowers in the summer.  
Up to play with my baby niece.
